

1
2 The following is a partial transcript of a telephone
3 conversationbetween DONALD W. HILL and MAXINE THORNTON-
4 REESE,
5 on April 25, 2005.
6 UNINTELLIGIBLE (UI)
7 MAXINE THORNTON-REESE(REESE): I guess they didn't say
8 nothing.
9 DONALD W. HILL(HILL): You know...
10 REESE: (UI)
11 HILL: ...yeah. I said, we're working with this guy,
12 these private sector people are out, they wanta work,
13 get out and work, and make, and earn, and, and, ah,
14 get money from foundations and business people to help
15 on some parts of trying to have, but basically their
16 deal is, they wanta make (UI), this the safest city in
17 America. Now their deal is equipment, programs,
18 prevention programs, and more cops on the street.
19 Now...
20 REESE: Mm-hmmm.
21 HILL: ...and now, we're gonna have to have more cops
22 on the street Dr. REESE. And we're going, even though,
23 even though they ain't working as hard as they need to,
24 we, we, it's kinda like, you, you can't fire all of 'em,
25 so we gonna have to, and, and, and what you do, is you,

1 like what happened to Bolton, you fire the coach. Ah,
2 you don't, you don't fire the whole team. But, we gonna
3 have to...

4 REESE: We can't afford to.

5 HILL: We can't. But we gonna have to get, we gonna
6 have to get behind these guys, and we're gonna have to
7 give 'em more guys, a lot more guys, Dr. REESE. Even
8 it means more taxes. We gonna have to give them a lot
9 more guys. And, and, and, and try to combine, we're just
10 gonna have to do a whole lot more on this crime piece.
11 We're gonna have to a lot more. It's gonna...

12 REESE: Yeah.

13 HILL: ...because, man, I tell you, in Pleasant
14 Grove, now in the part where, Po, Po, POTASHNIK is
15 doing his deal, that's a little better. But, the
16 place where BILL FISHER was trying to do a deal?

17 REESE: Mm-hmmm.

18 HILL: Man, that thing is right over there on (UI)
19 these villages on Pleasant or something. I mean, it,
20 it ain't that's just, you know, doors open, everybody
21 standing on, on the corner. I'm, I, you know, I can't
22 even approve the zoning on that deal.

23 REESE: I hear you.

24 HILL: We gotta clean that place up.

25 REESE: Mm-hmmm.

1 HILL: And, and, and then, some of these places have
2 been, are, are individually platted, as opposed to a
3 multi-family, they're so close that they really are
4 multi-family. But they've been...
5 REESE: And, and, and you know, you know, you know
6 BILL FISHER's broke anyway.
7 HILL: I know it. I ain't approving nothing BILL
8 FISHER (UI)...
9 REESE: And, and I told you, he gave me three hot checks.
10 HILL: What?
11 REESE: Three hot checks. Ooh, I was so hot.
12 HILL: What?
13 REESE: He gave me three hot checks for \$1,000 each.
14 He and his wife. Then he told me didn't have...
15 HILL: What?
16 REESE: ...he didn't have (UI). He didn't have
17 nothing in his district and, and, da, da, da, da.
18 (Cleared her throat) And so, there's no return
19 address, or nothing on his checks. Sshh, I called
20 KATHY, look, you need...
21 HILL: What?
22 REESE: ...I told KATHY, you need to collect this.
23 Ah, uh-huh.
24 HILL: Oh, my goodness.
25 REESE: She got it. She did it though.

1 (Phone ringing)
2 HILL: Hold on one second.
3 REESE: She got it. She went and got me...
4 HILL: Hold it one second. Hold it one second, hold
5 it one second.
6 REESE: Okay.
7 (HILL answers call from UNKNOWN person)
8 HILL: Good morning. How you doing? Great, great,
9 great, great, great. I'm, I got Dr. REESE on the
10 other line. She's on my, she's on my, ah, cell phone
11 and (UI) my Blackberry phone (UI). Well, I'll call,
12 I'll call you back soon as I (UI).
13 (Ended that conversation and returned to Dr. REESE's
14 call.)
15 HILL: How much did she collect?
16 REESE: She got it all.
17 HILL: Man, I know (UI).
18 REESE: (UI).
19 HILL: You know what? I'm not approving nothing BILL
20 FISHER, 'cause he don't have no money.
21 REESE: Yeah, she, she, yeah, and that's why, and
22 that's why she thinks she gonna try to push me on it.
23 'Cause, she told me last, he's gonna need somebody on
24 the Council, I said, (laughing)...
25 HILL: Hold, hold it one second, this is KATHY, hold

1 on, hold on one second.

2 REESE: Oh, okay.
